**\$100 OFF**  
YOUR NEXT TOOLING ORDER!

## EMPLOYEE SPOTLIGHT: JASON PATE

Jason Pate is originally from Blountsville, AL. He began working at Jeffrey Machine in 2007 as a welder on night shift. He has worked his way up to the position of first shift supervisor. Jason is the proud father of his sons, Jacob and Caleb, and his daughter, Morgan. They currently live in Cleveland, AL.

### *How did you first learn about Jeffrey Machine?*

When working with another company, I would come to Jeffrey Machine for pick-ups and deliveries and thought that it would be an amazing place to work.

### *What do you like most about Jeffrey Machine?*

Feeling like part of the family is one of the best things about working here! Another thing that is great about working at Jeffrey Machine is that everyone is treated on an individual basis.

### *What is the most challenging part about Jeffrey Machine?*

The most challenging aspect of working at Jeffrey Machine would be constantly striving to ensure that customers are always 100% satisfied. We always want to make sure that customers receive the best tools and treatment, even exceeding their expectations.

### *How has the company changed since you first started?*

In the time since I have started, Jeffrey Machine has only changed for the better. Not only has the facility grown, but so has the work force. It's amazing to see the amount of jobs that are coming through the factory on a daily basis compared to when I first started.

### *What is your proudest moment at Jeffrey Machine?*

Being hired at Jeffrey Machine is one of the proudest moments of my life. I would like to thank the entire Jeffrey Machine team for making me feel like family. I have enjoyed every moment of it!

### *What do you hope the future brings for Jeffrey Machine?*

My hope is that Jeffrey Machine continues to grow and thrive with new work while maintaining our commitment to our customers.

**OUR NEW WEBSITE HAS**  
*launched*

We are proud to announce the launch of our brand new website!

Our goal during the redesign process was to create a more user-friendly and responsive site across all platforms and devices. Specifically, we wanted to focus on making it easier for customers to locate and search for information about our products not only at their desk but on mobile devices.

Keep up to date on our latest news and events by simply checking out our homepage now!
